RE: Thoroughbred Mining Company, LLC
DNR #889-5013

On behalf of Thoroughbred Mining Company, LLC, I am requesting a waiver for the submittal of the analysis required in Section VII, Effluent Characteristics, for sediment control structures 001 and 002 listed in the previously submitted application (NOI-CM). These structures have not been constructed and there is no other operation in the general vicinity which meets the required criteria for sampling. The required analysis will be supplied within two year of the date KPDES coverage is granted.

If you have any questions regarding this matter, please contact me at the Corbin office telephone number listed below or by email: dhaggard@engrservices.com.

Thank you for consideration of this request.

Sincerely,

Debra Haggard, Biologist
